

# AME-2020 Quick Installation Guide

## What's in the box:

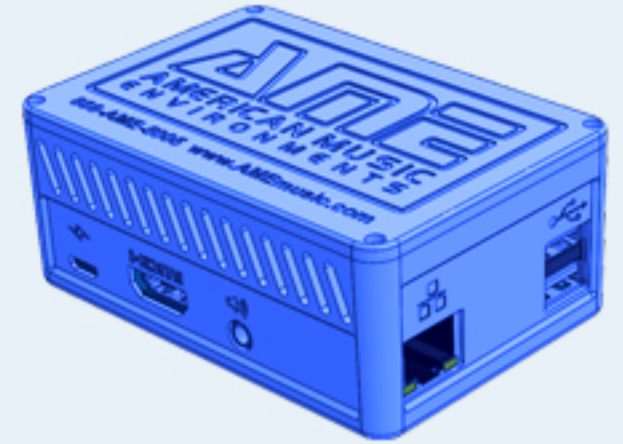

1x AUDIO CABLE

1x NETWORK CABLE

1x POWER CABLE

1x AME-2020 Digital Media Receiver

## Step 1:

Network Port Symbol:

Connect the network cable to the AME-2020 receiver, and connect the other end to your router or modem.

## Step 2:

Audio Port Symbol:

Connect the green end of the audio cable to the AME-2020 receiver.

## Step 3:

Connect the red (Zone 1) end of the audio cable into the amplifier. (Zone 2 optionally if used on your profile)

## Step 4:

Power Port Symbol:

Connect the power cable to the AME-2020 receiver and the other end to a surge protector.

## Step 5:

Verify the AME-2020 Receiver is powered on. There will be a red LED on the front facing 'STAT' window as well as NIC lights indicating connectivity beneath the network cable port. Music will begin playing after 45-60 seconds.
